POST-GRADUATE STUDENT GRANT OVERVIEW

The IAH Australia supported Australasian Conference Grant for Postgraduate Research Students provides up to $545 as a fee waiver for Registration, Industry Night and Conference Dinner for students who wish to attend the 2019 Australasian Groundwater Conference.

The purpose of attending the conference should be to assist with the student’s research or professional development. Awarding of this grant is conditional on abstract acceptance by the AGC2019 Organising Committee for a poster or oral presentation at the conference. Students should apply even if their poster or paper presentation has not been accepted by the application closing date. All offers are made once confirmation of acceptance is known. Retrospective applications will not be considered.

Students are required to supply a letter of support from their supervisor in their application. This should include a verification that all additional costs associated with the student’s attendance to the conference will be covered i.e. travel, accommodation, and subsistence. The AGC2019 Organising Committee is not responsible for any additional costs.

Application process

Applications are now OPEN and will close when funds have been allocated.

The IAH Australia Conference Student Grant for Postgraduate Research Students is awarded on the basis of both academic merit and financial need. All applications will be carefully assessed and successful applicants will be chosen at the sole discretion of the AGC2019 Organising Committee.

Eligibility Criteria

- You must be enrolled in a postgraduate research degree at an Australian or New Zealand university.
- You can be studying internally or externally.
- Applicants must have a paper accepted for poster or oral at the AGC2019
